I started my walk into ministry while at Bayside College, and have had opportunities for leadership, preaching and internship within the college.

My College experience has involved being discipled by college leaders and staff, Discipling College students younger than me, Leading a group of college students with students younger and older than me, Mission trip to Europe with the focus of evangelism with European initiative, And interning with the College Pastor which involved Taking students to lunch , setting up and leading college sports and Leading a lobby team with the young adult ministry collected to Bayside Community Church.

streets of Budapest and Vienna. Sharing the gospel through street performance and conversations.

PROJECTS

Youth Pastor Covenant Group — administration

Focused on creating a list of Youth Pastors , emails , phone numbers , home church and lead pastors. Giving this information to the Youth recourse director of Bayside Community Church.

Germany Youth project — administration

Focused on creating a foundation of youth ministry for a German church with no current ministry. This involved connecting with the Lead Pastor , learning current germany culture, creating a plan for a team to lead within starting a youth ministry. This is a project for a College missions trip set for May of 2026 which I will not be attending. The heart and mission of this trip is to create a youth ministry and put on a starter event to kickstart their ministry.

FCA Bradenton Speaking — Preaching and testimony

- I Lead a Testimony for a fca fundraiser event with 300 attendees in November of 2023. This involved sharing my story and pitching the ministry of fca (Fellowship of Christian Athletes) to potential investors.
- During my time leading fca in my public high school of Lakewood Ranch High we watched the growth from 4 leaders 0 attendees in August of 2021 to 10 leaders and over 60 attendees by the end of my High School education in may of 2023.
