

# AMBER CARR

Business & Professional Leadership

---

## ABOUT ME

I am responsible, approachable, and a hard worker. I am interested in working in kids ministry and owning a bed and breakfast. I am a people person, a team builder, and an excellent listener. I enjoy hanging out with kids and seeing them smile and dance. I have a heart for the younger generation and every chance I get to see them grow, it warms my heart. My goal is to use the skills I have to the glory of God and bring others to him through bible stories and baked goods.
