Pursuing Ministry

About Me

I am currently a student at Bayside College and I am aspiring to get a job in the field of ministry. My passion is working in outreach and discipleship as well as working creatively whether that is working in graphics or photography.

MINISTRY EXPERIENCE

August 2022–January 2024

Student Leader at Bayside Community Church

Student Leader

- Planned and preached sermons
- Went out to lunch/coffee with students
- Played the Bass guitar

Aug 2022 – May 2024

Fellowship of Christian Athletes

President

- Planned weekly meetings (Organized speakers, food, and rooms)
- Organized worship nights with 150+ students and people in the community
- Discipled those new to their faith

Jan 2025 – Dec 2025

Bayside College Intern

Admissions & Dual Enrollment

- Organized tours for the college/ met with prospective students, assisted in social media
- Intern with dual enrollment program in which I spoke, organized retreats, and discipled high school girls

Jul 2016– Dec 2020

Virtual Roblox Ministry

Founder

- One of my most unique experiences was running a church on Roblox: The reason I add this is because I feel as though ministry can look like so many wild things and this was my first step into ministry and we were able to reach a total of 814 people
