I am deeply grateful for the community God has given me through Bayside College at Southeastern University. I have been honored to be named to the Dean's List, reflecting my commitment to academic excellence alongside spiritual formation. Throughout my education, I have grown in spiritual stewardship, intentional leadership, honoring others, sensitivity to the Holy Spirit, and the essential qualities required for long term sustainable ministry.

One of my favorite quotes from my time at Bayside College is to "be a constant learner," reminding me to remain open to what God is teaching me in every new season, and I am excited to see what He has for me next.
