Ministerial  
Leadership: Worship  
Ministry

## My Profile

I am a passionate follower of Jesus who feels called by God to serve the local church within the context of worship ministry. With my experience in leading worship, preparing setlists, and playing a variety of instruments, my aim is to love and serve God, leading others to do the same both on and off the platform. My goal is to cultivate an atmosphere of authentic worship, disciple others in their faith, and serve with a heart that reflects Jesus in all I do.
