

# Alexandra Croy

## Worship Ministries

Hello! My name is Alexandra, but I go by Alex. I spent my entire life in West Virginia until I moved to Lakeland, FL for college in 2020. I attended Southeastern University's main campus until January 2022 when I transferred to Bayside College, an SEU extension site in Bradenton, Florida. I am passionate about music and worship, and strive to grow at all times. I have been singing since I was able to, and have been leading worship since I was 12. I have had many amazing mentors over the years who have shaped and molded me into the leader that I am now. I have a heart for people, and working alongside them for a united purpose.
