Taste the Storm

A smoky beer with notes of citrus.

Born from the rush of the storm and brewed for those who chase the unknown, Untamed Courage isn't just a beer it's a call to adventure. We believe great beer, like great adventures, isn't meant to be tamed. Every can is for those who stand in the eye of the storm, face the winds head-on, and embrace the chaos with a fearless heart.

Cold as the storm.
Bold as the chase.

This is one of my favorite pieces. My inspo was Twisters the movie.

I flipped the colors when designing alcoholic and non-alcoholic.

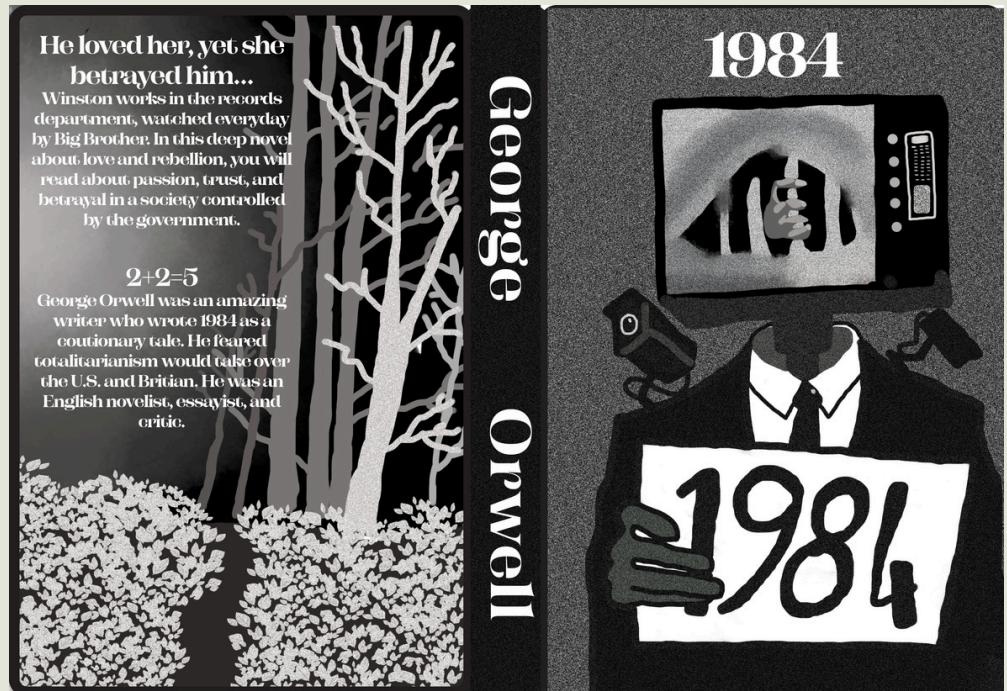

This piece is an album cover. I used the album named after him to visually communicate the emotion of his music.

ALBUM COVER

I wanted to show how to use pieces like the cigarettes from his life to abstractly represent other purposes.

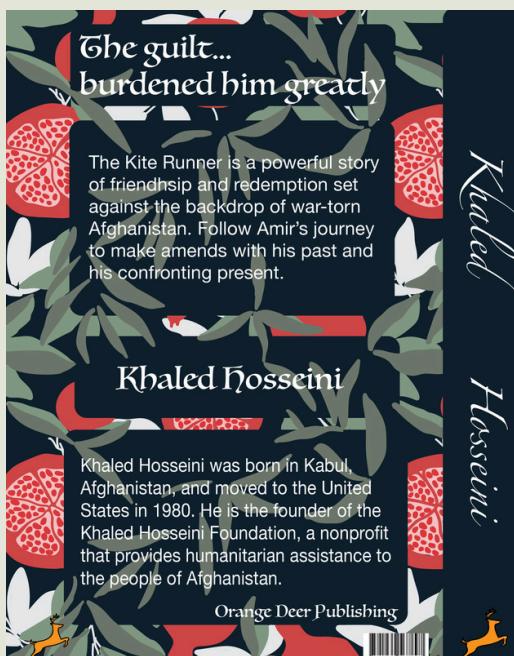

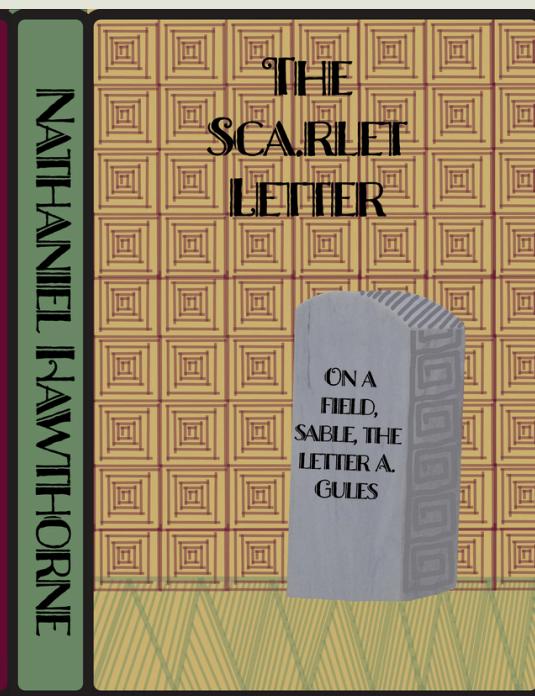

Book Covers

**THEY SHAMED HER...
BUT SHE SURVIVED**
In the town of Boston, a crowd gathers to witness an official punishment. Hester Prynne and her daughter Pearl live on the outside of town. Their goal is to thrive in a community of people who shame them.

Nathaniel Hawthorne wrote *The Scarlet Letter* in response to the growing hypocrisy and piousness he felt was gaining traction in American society at the time.

These three book covers were so fun to work on. The different styles used were researched thoroughly.

PHOTOGRAPHY

I am also a photographer, which helps me as a designer.
