 Lakewood Ranch, Florida

PROFILE

I moved from Maryland to Florida in 2021. Currently, I'm a Freshman at Southeastern University Bayside College looking for a team to positively support while serving the community. I am getting my degree in Business and Professional Leadership. I enjoy connecting with others and wish to learn while leading in business and personal endeavors for His glory. I am a good listener and a very quick learner and love to use these gifts for the great commission.
