# ANTHONY HERNANDEZ

**YOUTH PASTOR**

## ABOUT ME

I grew up in a Christian household in Houston, TX. My family raised me in the church so I have been involved in different areas of serving. However, my personal faith began to grow in Jr. High. From here, I learned that I have a passion for the next generation. I love being a part of teams that bring students to the saving grace of God and make them feel like they found a home.
