Profile

My name is Alexis Nutting, but you can call me Lexi. I am a senior at Bayside College and my major is Ministerial Leadership and Christian Ministries. I am also working towards a certificate in advanced worship and leadership. I am interested in building on my experiences so I can do my best in the position God puts me in. I am looking forward to planning events, working with the youth, going on missions trips, worshipping the Lord, and sharing God's word.
